CALA GONONE

★★★★

The **CLUB ESSE CALA GONONE** is set in the picturesque surroundings of Cala Gonone, in a panoramic position over the Gulf of Orosei. From the town of Dorgali, an ancient road winds down through unique, breathtaking views of the gulf to reach the village of Cala Gonone, characteristic and very welcoming, home to the largest fleet of excursion boats in all of Sardinia. Within a few nautical miles are, among others, the beaches of Cala Mariolu and Cala Goloritzé (the latter named "most beautiful beach in the world" in 2025), Cala Luna (the setting of numerous films, including "Swept Away" with Giancarlo Giannini and Mariangela Melato), and the Bue Marino Cave, a site of unparalleled beauty. The hinterland also contributes strongly to making the Cala Gonone area special and magical: the mysterious Nuragic village of Tiscali and the Supramonte, where nature hides monuments of great beauty such as the many Domus de Janas and the Gorroppu Gorge, which with its walls of over 400 m is the highest and most extensive canyon in Europe. This mountain area, the realm of the mouflon, is one of the temples of trekking enthusiasts who love flora and wildlife.

There are no quintuple rooms with a single living space. **FAMILY RELAX**: Families of 4 or 5 people, paying 3.5 or 3.75 fares, can be accommodated in 2 adjoining or connecting rooms. That said, our restaurant buffet always offers foods that are naturally free of gluten, lactose and eggs. We also have a range of gluten-free products: rusks, biscuits, rice cakes, sandwich bread, packaged snacks, jams, muesli, pasta, bread and packaged desserts.

Kids and teens:
"Pink Hero" the penguin, our mascot straight from the cold, is waiting for our little heroes to entertain them with games, arts and sports activities and to raise their awareness of ecology.
