The facility features spacious areas perfectly suited for activities such as the pool, the beach, the music bar, and the theater. Our engaging and non-intrusive entertainment team accompanies guests throughout the entire vacation with a rich program of recreational, sports, and show activities that blend relaxation and fun in an atmosphere of joy and sharing. All services are guaranteed from May 28th to October 1st; outside of these dates, there is still a soft entertainment program with evening events, tournaments, and fitness.

Children and Teens:

The penguin "Pink Hero," the mascot that came from the cold, awaits our little heroes to entertain them with playful, artistic, and sports activities and to raise awareness about environmental issues.

"Hero Camp" (for ages 3 to 13, further divided by age groups) from 9:30 am to 6:30 pm allows our little friends to experience a vacation within the vacation, with specialized assistance and an equipped play area, a small theater workshop, a playroom with games, a video library, and a relaxation area for afternoon naps.

"Young Club" (for ages 13 to 18) gathers daily for sports activities, dances, games, and tournaments, including a cabaret workshop, role-playing games, and social activities.
